

Stand for uTrust dual interface readers

© 2019 Dot Origin Ltd.

A convenient clip-on stand that enables flexible vertical or horizontal positioning of the uTrust 4701F or 4711F reader, for desktop or wall mounting.

This Identiv standing base kit comprises a stand and a wire holder. It can be used to either place the reader on the desktop with an angle of 40° to the desk, or to mount it on a wall at a 40° angle. The wire holder keeps the card or token in place when using this option.

Identiv part number 905412

A clip-on stand for desktop or wall mounting. Compatible with uTrust 4701F and uTrust 4711F readers.
