

Premium digital tacho rolls - box of 3

These paper rolls are for use with digital tachographs to allow activity data to be printed when required. Compatible with all models of digital tachograph in accordance with EU regulations, these high quality paper rolls have been manufactured from premium grade, scratch resistant, top coated thermal paper.

The excellent durability of this paper means it is resistant to heat, humidity, light, plasticisers and water.

Enforcement officers have the right to demand printouts of activity data at their discretion so having supplies of tacho rolls at all times are a must. In addition, for enforcement checks, printouts provide a way of manually recording data, if a driver has lost their card or the card malfunctions.

Digital tachograph rolls made from premium grade, scratch resistant, top coated thermal paper. Compatible with ALL models of digital tachograph. Pack of 3.
